Shield Line USA was formed with one goal in mind, to provide the medical industry with a high quality, value oriented line of medical disposables and skin care products to help keep the cost of supplies manageable while still maintaining the highest standards in patient care.

Our lines have been carefully selected to offer a wide variety of options to best aid patients, surgeons and healthcare facilities with all their care needs without having to scrutinize their budgets.

Whether you need products for skin care, safety, wound care, surgery or everyday healthcare, Shield Line USA and it’s line of products should be your first choice when choosing the best for your patients.

Contact your representative today for more information on how Shield Line USA can assist you.
