

# Nitrile Surgeons Gloves

## Nitrile Surgeons Gloves

- POWDER-FREE
- RIGHT / LEFT HAND FITTED
- STERILE
- BEADED CUFF

MedPride® Nitrile Surgeons Gloves are high quality, specially formulated gloves, manufactured for use by Surgeons during surgical procedures. These Gloves have unmatched elasticity and tactile fit when compared to other Latex Free Surgical Gloves available today.

Great assistance to the surgeons during surgery due to following attributes:

- Better Grip
- Snug fit
- Tactile
- Elastic like a Latex Surgical Glove
- Strong & Flexible

MedPride® Nitrile Surgeons Gloves are USFDA 510k Cleared Medical Device.

The MedPride Nitrile Surgeon gloves are free from the following common accelerators used in the manufacturing of Nitrile Gloves: Thiurams Mercaptobenzothiazole, Diphenylthiourea, Diphenyl Guanidine, Dithiocarbamates
